

GSDL British Regional Group

Update November 2024

Become a Member

Following the GSDL's 2024 AGM, the British Regional Group will be an autonomous sub-section of the GSD League with its own constitution, executive committee and membership.

This means that breeders, owners and handlers can all become members and be involved not only in attending the activities of the BRG but also be involved in the running of those activities and the future development of them and the organisation.

GSD League Members will all be receiving membership renewal reminders very soon if they have not already done so. We would like to really encourage members that are interested in the BRG activities not just to renew their GSDL membership but also to join the BRG. Membership costs £15 single and £25 joint with concessions for senior and junior members.

For those people who are not yet members of the GSD League, you will need to join both the GSDL and the BRG.

You can renew your membership or join at www.membermojo.co.uk/gsd . If you join now, your membership will expire in December 2025.

Not only will members be able to attend the BRG AGM, but they will be eligible for reduced entry fees at Regional Shows and other BRG events.

Your opinion matters

The BRG will be shortly issuing a survey to gather exhibitors opinions on regional shows generally and the new features introduced this year:

1. Training in the ring during individual assessments.
2. Most Promising and Top Dog and Bitch Awards
3. Free entry for those entering a regional for the first time
4. 50% reduction in entry fee for the Christmas Cracker to anyone who has entered every regional show.

Recognition of Achievement

The BRG's Gold Medal is its flagship award, highly prized and arguably one of the most challenging accolades to achieve in the UK.

We also recognise the top ten winning dogs and bitches and top junior handlers each year.

We also have a Certificate of Excellence for those dogs who consistently achieve high gradings.

All of these awards are presented at our first show of the year – our Valentine Show.
